AGENDA

BUSINESS

The Explanatory Statement which accompanies and forms part of this Notice describes the matters to be considered as ordinary business and special business. Certain abbreviations and other defined terms are used throughout this Notice. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations used are set out in the Glossary contained in the Explanatory Statement.

ORDINARY BUSINESS

Annual Accounts

To receive and consider the consolidated financial report of the Company for the period ended 30 June 2015 and the reports by the Directors and Independent Auditor.

Resolution 1: Remuneration Report

To consider and, if thought fit, to pass the following as an **ordinary resolution**:

"That for the purposes of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report."

- Although the vote on this resolution is advisory only, this resolution shall be determined as if it were an ordinary resolution.
- If 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution ("spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director) must go up for re-election.

Voting exclusion

The Company will disregard any votes cast (in any capacity) on Resolution 1 by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, a person described above may cast a vote on this Resolution if:

- (a) it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form; or
- (b) it is cast by the Chairman as proxy for a person who is entitled to vote and the Chairman has received express authority to vote undirected proxies as the Chairman sees fit even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Resolution 2: Re-election of Mr Graeme Clatworthy as a Director

To consider and, if thought fit, to pass the following as an **ordinary resolution**:

"That for the purposes of Listing Rule 14.4 and clause 13.2 of the Constitution, Mr Graeme Clatworthy being a Director of the Company appointed as an addition to the Board and who retires in accordance with clause 13.2 of the Constitution, be elected as a Director of the Company."

Short Explanation: Clause 13.2 of the Constitution requires that any Director appointed to fill a casual vacancy or as an additional Director, holds office only until the conclusion of the next Annual General Meeting of the Shareholders and is eligible for re-election at that Meeting.

Resolution 3: Approval of Additional Placement Capacity

To consider and, if thought fit, to pass the following resolution as a **special resolution**:

"That, pursuant to and in accordance with Listing Rule 7.1A and for all other purposes, approval is given for the Company to issue Equity Securities up to 10% of the issued capital of the Company (at the time of issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2, to be issued on the terms and conditions set out in the Explanatory Statement accompanying this Notice."

Short Explanation: The Company seeks approval to issue an additional 10% of the Company's issued ordinary securities during a 12 month period in accordance with Listing Rule 7.1A.

Voting exclusion

The Company will disregard any votes cast on this Resolution by a person who may participate in the proposed issue and a person who might obtain a benefit, except a benefit solely in the capacity of a Shareholder, if the Resolution is passed and any associates of those persons. However, the Company need not disregard a vote cast on this Resolution if it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form or it is cast by the Chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Important note: The proposed allottees of any Equity Securities under the Additional Placement Capacity are not as yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1

and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional Placement Capacity), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

Snapshot Date

The Directors have determined that for the purposes of regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the persons eligible to attend and vote at the Meeting are those persons who are registered as Shareholders at 4pm (WST) on Wednesday 25 November 2015.

Incorporation of Explanatory Statement

The Explanatory Statement attached to this Notice of Meeting, is hereby incorporated into and forms part of this Notice of Meeting.

Interdependency of Resolutions

Resolutions 1, 2, and 3 are not interdependent. This means that Resolutions 1, 2, and 3 may be passed by Shareholders notwithstanding that one or more of those resolutions are not passed by Shareholders.

DATED THIS 23RD DAY OF OCTOBER 2015

BY ORDER OF THE BOARD

Mr Scott Mison

Company Secretary

EXPLANATORY STATEMENT

This Explanatory Statement and all attachments are important documents. They should be read carefully.

If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

Certain abbreviations and other defined terms are used throughout this Explanatory Statement. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations used are set out in the Glossary contained in this Explanatory Statement.

This Explanatory Statement has been prepared for the Shareholders of Rift Valley in connection with the Annual General Meeting of the Company to be held on Friday 25 November 2015.

1. ANNUAL ACCOUNTS

The Corporations Act requires that the Annual Report (which includes the financial report, directors' report and auditors' report) be laid before the Annual General Meeting.

Shareholders will be given an opportunity to ask questions and make comments about the Annual Report generally but there will be no formal resolution submitted in respect of the Annual Report.

2. RESOLUTION 1 – REMUNERATION REPORT

In accordance with the Corporations Act, a resolution to adopt the Remuneration Report must be put to Shareholders. The Remuneration Report which details the Company's policy on the remuneration of non-executive Directors, executive Directors, the Company Secretary and senior executives is set out in the Company's 2015 Annual Report. It is also available on the Rift Valley website at www.riftvalleyresources.com.au.

Voting on this resolution is advisory only. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director) must go up for re-election.

Any undirected proxies (ie. open proxies) held by the Chairperson of the Annual General Meeting, other than those of directors or other Key Management Personnel or any of their Closely Related Parties, will not be voted on Resolution 1 (Remuneration Report), unless the proxy expressly authorises the Chairman to exercise undirected proxies even if the Resolution is connected directly or indirectly with the remuneration of a member of Key Management Personnel.

The Chairman will use any undirected proxies to vote in favour of the Resolution. Therefore, the Company encourages you to carefully read the proxy form and direct your proxy on how to vote on Resolution 1.

3 RESOLUTION 2 – RE-ELECTION OF A DIRECTOR (GRAEME CLATWORTHY)

3.1 Background

Resolution 2 seeks approval for the re-election of Mr Graeme Clatworthy as a Director. Mr Clatworthy was appointed as a Director of the Company on 10 February 2014 pursuant to clause 13.2 of the Constitution. In accordance with Listing Rule 14.4 and clause 13.2 of the Constitution Mr Clatworthy must stand for election at the Annual General Meeting. As such, at the Annual General Meeting Mr Clatworthy retires from his position as a Director and, being eligible, offers himself for election to that position.

Graeme holds a Bachelor of Business, majoring in Accounting. He has accumulated 27 years of experience in the Australian Capital Markets having worked for several Australian based Stockbroking firms. Graeme brings to Rift Valley a vast understanding of Capital Markets and has established long standing relationships within the broking community.

3.2 Directors' Recommendation

All the Directors (other than Mr Graeme Clatworthy) recommend Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – ADDITIONAL PLACEMENT CAPACITY

4.1 General

Listing Rule 7.1 permits entities to issue 15% of its issued capital without shareholder approval in a 12 month period, subject to a number of exceptions.

The Listing Rules also allow certain small to mid-cap companies to seek shareholder approval for additional placement capacity. Listing Rule 7.1A permits eligible entities, which have obtained shareholder approval by special resolution, to issue Equity Securities up to an additional 10% of its issued capital by placements over a 12 month period after the annual general meeting ("**Additional Placement Capacity**"). The Additional Placement Capacity, if approved by Shareholders, is in addition to the Company's existing 15% placement capacity under Listing Rule 7.1.

The Company seeks Shareholder approval under Resolution 3 to be able to issue Equity Securities under the Additional Placement Capacity. The exact number of Equity Securities to be issued is not fixed and will be determined in accordance the formula prescribed in Listing Rule 7.1A.2 (set out below).

The Company is seeking approval to issue securities under the Additional Placement Capacity as it provides additional flexibility and capacity to the fund raising alternatives that would otherwise normally be available to the Company.

Requirements of Listing Rule 7.1A

Eligible entities

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company's market capitalisation, using the share price as at 22 October 2015, is \$11.15 million. The Company is an eligible entity.

Shareholder approval

Shareholders must approve the Additional Placement Capacity by special resolution at the annual general meeting which requires the approval of 75% of the votes cast by Shareholders present and eligible to vote (being present at the Meeting either in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative). A resolution under Listing Rule 7.1A cannot be put at any other shareholder meeting.

Equity Securities

Equity Securities issued under the Additional Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company has one class of Equity Securities quoted on ASX being fully paid ordinary Shares.

Formula for calculating number of Equity Securities that may be issued under the Additional Placement Capacity

If Resolution 3 is passed, the Company may issue or agree to issue, during the 12 month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

(AxD)-E

A	The number of fully paid shares on issue 12 months before the date of issue or agreement: <ul style="list-style-type: none">• plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;• plus the number of partly paid shares that became fully paid in the 12 months;• plus the number of fully paid shares issued in the 12 months with the approval of shareholders under Listing Rules 7.1 or 7.4. This does not include an issue of fully paid shares under the Company's 15% placement capacity without Shareholder approval;• less the number of fully paid shares cancelled in the 12 months.
D	10%
E	The number of Equity Securities issued or agreed to be issued under Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

Interaction between Listing Rules 7.1 and 7.1A

The Additional Placement Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

The Company has 530,978,280 shares on issue as at the date of this Notice. For the purposes of the calculations in Listing Rules 7.1 and 7.1A the Company has calculated input "A" in those Listing Rules as 530,978,280 shares. If all of the Resolutions in this Notice are passed, the Company will be permitted to issue (as at the date of this Notice):

- 79,646,742 Equity Securities under Listing Rule 7.1, being 15% of 530,978,280 shares; and
- 53,097,828 Equity Securities under Listing Rule 7.1A, being 10% of 530,978,280 shares.

The actual number of Equity Securities that the Company will be permitted to issue under Listing Rule 7.1A will be calculated at the date of issue or agreement to issue the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out above).

The effect of Resolution 3 will be to allow the Company to issue securities under Listing Rule 7.1A without using the Company's placement capacity under Listing Rule 7.1.

Information for Shareholders as required by Listing Rule 7.3A

Minimum price

The issue price of the new Equity Securities will be no lower than 75% of the volume weighted average market price (VWAMP) for securities in the relevant quoted class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 5 Business Days of the date above, the date on which the Equity Securities are issued.

Risk of economic and voting dilution

If Resolution 3 is passed and the Company issues securities under the Additional Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below.

There is the risk that:

- the market price for the Company's existing Equity Securities may be significantly lower on the date of issue of the new Equity Securities than on the date of the Meeting; and
- the new Equity Securities may be issued at a price that is at a discount to the market price of the Company's existing Equity Securities on the issue date or the new Equity Securities may be issued as part of the consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the new Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example a pro rata entitlement issue) or future placements under Listing Rule 7.1 that are approved by Shareholders in the future; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0105 50% decrease in Issue Price	\$0.021 Current Market Price	\$0.042 100% increase in Issue Price
Current 530,978,280 Shares	10% Voting Dilution	53,097,828 Shares	53,097,828 Shares	53,097,828 Shares
	Funds raised	\$557,527	\$1,115,054	\$2,230,109
50% increase in Variable A 796,467,420 Shares	10% Voting Dilution	79,646,742 Shares	79,646,742 Shares	79,646,742 Shares
	Funds raised	\$836,291	\$1,672,582	\$3,345,163
100% increase in Variable A 1,061,956,560 Shares	10% Voting Dilution	106,195,656 Shares	106,195,656 Shares	106,195,656 Shares
	Funds raised	\$1,115,054	\$2,230,109	\$4,460,217

This table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the Additional Placement Capacity.
- No Options (including any Options issued under the Additional Placement Capacity) are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the Additional Placement Capacity consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

- The issue price is \$0.021, being the latest closing price of the Shares on ASX on 22 October 2015.
- The Company's ability to issue securities under Listing Rule 7.1A is in addition to its ability to issue securities under Listing Rule 7.1.

Placement Period

Shareholder approval of the Additional Placement Capacity under Listing Rule 7.1A is valid from 25 November 2015 (the date of this Meeting) and expires on the earlier of:

- 25 November 2016, which is 12 months after this Meeting; or
- the date Shareholders approve a transaction under Listing Rule 11.1.2 (significant change to nature or scale of activities) or 11.2 (disposal of the main undertaking), or such longer period as allowed by ASX (the "**Placement Period**").

The approval will cease to be valid in the event that Shareholders approve a transaction under Listing Rules 11.1.2 or 11.2.

The Company will only issue and allot new Equity Securities during the Placement Period.

Purposes for which the new Equity Securities may be issued

The Company may seek to issue new Equity Securities for the following purposes:

- cash consideration to raise funds for the acquisition of new assets or investments (including the expenses associated such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and for general working capital; or
- non-cash consideration for acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

Allocation policy

The Company's allocation policy for the issue of new Equity Securities under the Additional Placement Capacity will depend on the market conditions existing at the time of the proposed issue. The allottees will be determined at the relevant time having regard to factors such as:

- the methods of raising funds available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of new securities on the control of the Company;
- the financial situation and solvency of the Company;
- advice from corporate, financial and broking advisers (as relevant).

As at the date of this Notice the allottees are not known but may include existing substantial Shareholders and/or new Shareholders. No allottee under the Additional Placement Capacity will be a related party or associate of a related party. Existing Shareholders may or may not be entitled to subscribe for any Equity Securities issued under the Additional Placement Capacity and it is possible their shareholding will be diluted.

If the Additional Placement Capacity is used to acquire new assets or investments then it is likely the allottees will be the vendors of the new assets.

The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 and 3.10.5A on the issue of any new securities.

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chairman of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chairman of the Meeting will be your proxy. A proxy need not be a security holder of the company. Do not write the name of the issuer company or the registered security holder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the Company or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the Company.
